

Placing an Order

ORDERING GUIDELINES

Click on the "Shop Now" tab below. This will take you to my Shaklee web site

1. Once you've found the Shaklee product you're looking for, just click on the Product Name, review the product info on the page, and add it to your shopping cart. You can continue shopping by clicking that tab.
2. When you're ready to check out just click on 'Checkout' and you will see some prompts. If you are already a Shaklee member you will be asked to give your Shaklee ID number. If not, you can sign up for only \$19.95 and receive the benefit of 15% off of this order and future orders (less expensive than a membership at Sam's Club or Costco). There is no obligation with a membership - only savings and other benefits! You may also join at one of the other levels and become a distributor.
3. You'll be directed to enter your name, address and payment method to complete the process. An order confirmation invoice will be emailed to you after placing your order. Most orders arrive at your door via UPS within five business days.

Payment Methods

Our website accepts Visa, Mastercard, Discover, and American Express.

Shipping and Delivery

Shaklee ships products via UPS, USPS for smaller items and postal boxes. All shipping charges are based weight and minimum fees of the carriers providing the service. Most orders arrive at your door via UPS within five business days. Unless you request an upgraded option at checkout such as, next business day and two or three business day delivery.

Any questions, comments, or concerns? Contact me through the tab at the top of this page.
